ACE Social Media Setup: Auto-Posting to Social Media Sites

Here are some tips about ACE and auto-posting to social media websites:

- **VERY IMPORTANT: LOG OUT OF SOCIAL MEDIA SITES BEFORE PROCEEDING.**

Example go to <http://www.facebook.com>, if you are logged in, click the upside down triangle at top right and select logout. Go to [Linkedin.co](http://www.linkedin.com), if you are logged in click your picture at top right and click log out. Go to [Twitter.com](http://www.twitter.com), log out. Doing this will help ensure ACE creates a good connection in the steps below.

- ACE is secure. ACE does not capture or hold your social media password, all social logins are done through the social media provider itself.
- From time to time you may need to log back into your social media account to renew permissions in order for ACE to continue auto-posting on your behalf.
- With ACE you can manually or automatically post to your social media sites with fresh, relevant content from RISMedia the leader in real estate information.
- If you turn Auto-Post "ON" you can still manually share from the ACE exclusive Content area or share just about anything from the RISMedia.com website.
- If you elect not to use the Auto-Post feature you can still manually share from the ACE exclusive Content area or share just about anything from the RISMedia.com website.
- You can turn Auto-Post 'OFF' anytime.
- ACE will send you an email alert to let you know what content has been automatically posted for you. You can turn these notifications off.
- If, for some reason, you did not like the content that was automatically posted you can login to your social media account to remove the post.

How to Setup ACE Auto-Posting to Facebook

Be sure that you are logged out of social media sites before proceeding!

Example, go to [Facebook.com](https://www.facebook.com), if you are logged in, click the upside down triangle at top right and select logout.

All Facebook users have a “profile”, your Facebook profile is typically used to connect with friends and can only be seen by others if they log into Facebook. Many FB user also have a separate Facebook “page” which is typically used for businesses and can be accessed by the public, in other words visitors do not need to be logged in, or a member of Facebook to see a business page. ACE can post to your personal profile or any business page that you control. You can change your ACE auto-post settings anytime to stop.

In ACE top menu click “Social Network Setup”...

Click the “Add” button near the Facebook area to get started....

Click "Add" to get started setting up your connection to Facebook.

	Blue = No connection has been created yet. Click the blue "Add" button to create connection and start auto-posting!	

There are three buttons you might see in the ACE Social Network Setup area.

	The "Add" button indicates that a connection has not yet been made. Click the "Add" button to connect to a social media account and begin auto-posting.
	"Edit" - indicates we have established a connection to the social media account. Click "Edit" to adjust posting schedule, and for Facebook page selection options, or delete the connection altogether.
	"Reset" - indicates ACE no longer has permission to post to your social media account. Sometimes this referred to as a "broken token". This could be the result of changing your social media password, or from time to time the social media provider might require you to confirm that ACE can post on your behalf. ACE will email you an alert if a reset is needed.

How to Manually Post Content to Social Media Anytime!

With ACE you can update your social media sites anytime with content branded to you!

As you know, if you have auto-posting "ON" ACE will automatically post to your selected social media site(s) late in the afternoon. If you would like to update your social media accounts more frequently or share a breaking news story from RISMedia you can manually post content anytime - and still have the content branded to you! Here's how:

You can manually share from two areas:

1. The ACE Exclusive Content area: While logged into ACE notice the "ACE Exclusive Content" top right, blue menu. That content is exclusive to ACE members only - it will not appear in any other areas of rismedia.com.
2. RISMedia: Or post news from RISMedia, RISMedia has been writing real estate news for over 35 years - it is a great place to go to share the latest real estate news. As an ACE member when you share from RISMedia the content will be branded you!

Screenshot of how to get to manual sharing areas:

How to Share:

1. Whether from ACE Exclusive Content or from general news on <http://rismedia.com> click the headline to get to full story.
2. Look for the social media icons near the "ACE Brand this Post Now!" area.
 - a. Optional: Click the green "Preview My branded story" to see what your ACE branded page will look like to your followers. Notice if sharing new from <http://rismedia.com> any competitive ads shown on that public page will not appear on your branded page.

3. Click one of the social media icons near the “ACE Brand this Post Now!” area, you will be taken to the pre-share page...
4. Here you can adjust the post message and if Facebook decide whether to post to page or profile or both.
5. Be sure “Brand this Post” is selected.
6. Click the share button. Your post will appear on your social media site shortly.

See screenshots of these steps below!

The screenshot displays the RISMedia ACE Member interface. At the top, a notification bar reads: "Good! Be sure you see the blue ACE Member menu bar which indicates you are logged into ACE!". Below this is the "ACE Member" header with navigation links: Dashboard, My Account, Social Network Setup, ACE Help, and ACE Exclusive Content. A secondary navigation bar includes: Home, News, Best Practices, Marketing, Technology, Social Media, Advice, Events, Subscribe, and Blog.

The main content area features an article titled "Housing Confidence Hinges on Promise of Trump Growth Policies". A social sharing overlay is positioned over the article, containing the text: "Preview this page if you would like to see how it will appear to you friends." and "Click an icon to start the sharing process." Below the overlay are the ACE logo, a "Brand This Post Now!" button, a "Preview My Branded Post" button, and social media icons for Facebook, Twitter, and LinkedIn.

To the right of the article, an advertisement is visible, which has been crossed out with a large red 'X'. The ad text reads: "LIGHT UP THE HOLIDAYS WITH THE GIFT THAT GIVES ALL YEAR LONG!" and "Start Your FREE Trial Today!".

Below the ad, a "Trending" section lists the article and another item: "Peering into the Future of Housing: Predictions for 2017".
